Stack-On units are designed to be placed on top of standard tall cabinets, allowing additional upper storage utilization.

Advantage Scientific cabinets can be produced to a maximum 90H nominal in a one-piece vertical assembly. When taller cabinet assemblies are desired, Stack-On units provide the solution. Stack-Ons may be added to 84H nominal (2137mm / 84.13") and 90H nominal (2297mm / 90.43") Tall cabinets.

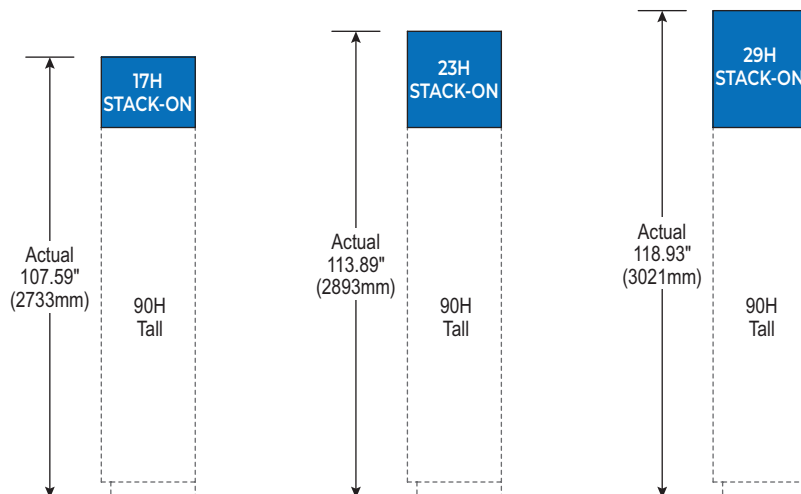

Stack-On units may also be utilized to span more than one Tall cabinet below. For example, two 24"-wide Tall units could use a single 48"-wide Stack-On. Note that, due to side hinge reveals, vertical gaps will align, but width spacing of gaps may vary due to hinge hardware selected.
